Facilitator Guide Corrections

Printed Phase 1, 2 and 3 guides · October 2026

Keep this page inside the front cover of your guide. The guides on **forgementors.org** already include every correction below.

1 · DAYS OF THE WEEK

Each program sets its own meeting days, so the guides now name **sessions, not days**. Where the printed guide names a day, read it as the session:

- **Week 1:** Tuesday = Session 1, Thursday = Session 2, Saturday = Session 3.
- **Weeks 2–36:** Tuesday, Wednesday and Thursday = the first, second and third session of that week. Week 23, for example, is Sessions 67, 68 and 69.
- "See you Tuesday" = "See you next session." "Homework for Thursday" = homework for the next session.
- "Tomorrow" and "yesterday" in the scripts mean the **next** and the **last** session, however many days apart your sessions are.
- **Phase 3:** "Tuesday supervision" = the first session of each week; "Wednesday and Thursday field work" = its second and third sessions.
